**Subject:** Docket files for TX RH BART proposal to affirm

Hi Bill,

Michael asked me to rename the docket files to represent the numbers for regulations.gov. I haven't done this before, so please forgive me if I haven't quite done this right. The last file number from the October 2017 final rule is TX187.121. I have started the numbering for this rule with TX187.130. If I understand the numbering system correctly, I believe the rule will be TX187.130, and then the supporting files will start from TX187.131, ending on TX187.141. I have snipped the list of renumbered files below. The files can be found at H:\6PD\6MM-A\TX RH BART Reproposal Docket\Docket. The notice will publish on Monday, 8/27. Please let me know if I need to do something different.

Thanks again for your patience.
